

Re-route large buses away from Coinagehall Street and provide smaller Town Centre Hopper Bus

Bus Proposals

Main Bus Depot and Connections Hub in unused recycling area

- Nearer residential areas
- Links car parking, bus routes and cycle routes to provide a Connections Hub
- Re-routes large buses from Coinagehall Street

Budgens re-development includes depot for Hopper Bus

- Fits with Gateway proposals
- Linked to proposed cycle routes

Current eastbound route changed
No access up Coinagehall Street

Proposed local services eastbound
Via Hopper Bus and Main Depot

Proposed wider services eastbound
Long distance services go around
